Totally worth 99 cents, 420V10. I bought this DLC to support the Devs since it is a free game after all, and the hair styles are pret... You know what, I'm not gonna kid myself, I just wanted the Cat Ears for my Waifu.... I bought it with real money just to make my character real Kawai and I have no regret at all. :D. I really like it.. I spent 99 cents for cat girl hairstyles in a clicking game.

I regret nothing.. Why bother with the boring default cat girl hair when you can purchase the obviously superior Fox Girl hair?. 99 cents for a bunch of catgirl hairstyles.

I couldn't have spent that money in a better way.. Why bother with the boring default cat girl hair when you can purchase the obviously superior Fox Girl hair?. 99 cents for a bunch of catgirl hairstyles.

I couldn't have spent that money in a better way.
